__ Prior Additions/Alterations of Existing Structure and/or Property-**Submit this page, a copy of your property survey and the Additions/Alterations Supplement.**

__ Painting - **Submit this page AND the House Painting Supplement** (no survey needed).

__ Roof - **Submit this page, sample or COLOR picture of shingle & manufacturer info on lines below: manufacturer name, yrs of warranty, whether dimensional, specific color name (no survey)**

Narrative Description of Additions/Alterations _ (Continue on back of sheet if necessary)

The undersigned property owner hereby acknowledges and agrees that the undersigned shall be solely responsible for determining whether the improvements, alterations, or additions described herein comply with all applicable laws, rules, regulations, codes, and ordinances; including, without limitation, zoning ordinances, building codes, subdivision regulations including any applicable Deed Restrictions, Bylaws, and any applicable amendments thereto. The Architectural Control Committee shall have no liability or obligation to determine whether such improvements, alterations, and additions comply with any such laws, rules, regulations, codes, ordinances or other control documents.

I agree not to begin property improvement(s) until the Architectural Control Committee (ACC) notifies me in writing of their approval. If any change is made that has not been approved, the Committee has the right to ask me to remove the improvement from my property.

Email Address (optional): _____

IMPORTANT – PLEASE NOTE: Revisions to Florida Statutes (section 720) mandated that the ACC develop standards & guidelines applicable to those covenants wherein the ACC is the controlling authority. In response, the ACC adopted a catalog of color schemes that are **now the only colors that can be used on the restricted properties of Providence Lakes. You may not use or reuse your existing colors if they are not on the approved list. The only exception to this is if your previous ACC paint submission for the existing colors was approved between April 15, 2008 and December 31, 2017.**

Please follow the two steps outlined below:

Step 1 – Selecting approved colors

- A. To review/select currently approved colors via the internet visit the Providence Lakes Master Association website: www.providencelakeshoa.com (select Documents ~ Documents and Forms ~ Approved Paint Colors)
- B. To review/select colors via a store visit:
 - 1. Sherwin Williams 726 W Brandon Blvd, Brandon 813 689-6151.
 - 2. Sherwin Williams 7221 S US Hwy 301, Riverview 813 672-6326.
- * You do not need to use any specific paint vendor. All paint vendors can duplicate the approved colors.

Step 2 – Selecting and documenting both the scheme and scheme colors chosen

- A. Select and record the scheme# and each of that schemes color details. Paint schemes (55-99) have 3 color options. The colors of any scheme chosen **must be used together and may not be reversed or painted with a color from another scheme.**
- B. Indicate the scheme# you selected and the specific color details of that scheme:
Scheme # _____ Paint Vendor Name: **Sherwin Williams Lists**
Body # _____ Color Name _____ Flat ___ Satin ___ Semi-Gloss ___
Accent # _____ Color Name _____ Flat ___ Satin ___ Semi-Gloss ___
Trim # _____ Color Name _____ Flat ___ Satin ___ Semi-Gloss ___
- C. Surface Application - The following table indicates which color(s) in the scheme you may use to cover the exterior surfaces of your home. They are indicated by: **(B)**ody Color, **(A)**ccent Color, and **(T)**rim Color

Corner Trim (A.T.)	Painted gable ends (A.T.)
Entry doors (A.T.)	Shutters (A.T.)
Fascia (A.T.)	Soffit (A.T.)
Frieze board (A.T.)	Trim around windows and doors (A.T.)
Garage doors (B.A.T.)	Window shutters (A.T.)
Gutters (A.T.)	Any other horizontal surfaces (A.T.)
Mailbox (A.T.)	All other paintable exterior surfaces not indicated (B)

* **If siding installation is included in this project, the color is also subject to ACC approval. Siding samples must be submitted.**

Email Address (optional) _____

IMPORTANT – PLEASE NOTE:

Effective January 1, 2011, all Architectural Control Committee (ACC) submissions for any type of addition or alteration to the existing residential structure ***must include***:

- A. A clear copy of the boundary survey with a line drawing of the proposed addition from an overhead perspective with clearly shown dimensions.
- B. A complete copy of the plans for the proposed addition.
- C. A complete description of materials that will be used for walls, roofing, doors and windows. Describe any change or addition to the existing concrete deck.
- D. A complete list of utilities that will be included in the addition (i.e., water, electrical, air conditioning, natural gas).

Failure to submit an ACC application for any type of addition or failure to provide the information listed above may result in litigation. The ACC will actively seek the complete removal of any unapproved addition. The ACC will no longer negotiate approvals for modified additions.
